-----Council Members Comments-----

----Councilwoman McSwain-Holland –

----Councilman Davis – Glad the Mayor is back. Announced yesterday the Troy University Men's Basketball team won the Sunbelt Conference tournament and will move on to March Madness. The Women also made it to the semi-final game in the Sunbelt Tournament. Not many University's men and women's teams both play for a championship, but Troy University has done it more than any other University. Announced March is District 3 clean-up month, call 311 for pickup.

----Councilwoman Baker – Basketball has been very exciting, congratulations to the University and to Charles Henderson High School. A lot of excitement generated recently with Charles Henderson and Pike playing each other in baseball, always fund to see our town and kids come together. Congratulations to Will,

hope for a wonderful weekend of celebration, and hopes Mayor stays well to enjoy every bit of it.

----Councilwoman Moultry – Kudos to the University, Charles Henderson and our young people. Have a good City and young people have found some good things to occupy them, not only negative. Thanked all department heads and how we all work together.

----Councilman Meeks – If neighborhoods don't have kids, the neighborhood will die, same goes for the City, we need to do all we can for them.

There being no further business Councilwoman Baker motioned to adjourn, and the meeting was on motion duly adjourned at 5:36 P.M.
