CLASSIFICATION TITLE: Well Operator – Utilities/Water Department

FLSA DESIGNATION: NON-EXEMPT, CLASSIFIED

OPENING DATE: October 15, 2015

CLOSING DATE: Will Remain Open Until Position Is Filled

PAY RATE: SI0-01

SUMMARY DESCRIPTION:

This is a skilled position for maintaining the City's deep water wells and storage tanks. Employees in this skill level are responsible for performing a variety of manual and skilled tasks in the inspection, maintenance and testing of the City's water wells and storage tanks. This position represents an employee who can perform the duties listed, along with any other duties as directed by the proper authority.

REPRESENTATIVE DUTIES:

The following duties are typical for this classification. Incumbents may not perform all of the listed duties and/or may be required to perform additional or different duties from those set forth below to address business needs and changing business practices.

1. Performs or assists others with operation, maintenance, and repairs to all wells, lift stations, and other locations as needed.
2. Performs duties such as lab testing, sample set-up and sample processing, along with the general maintenance necessary for all lab and sampling equipment.
3. Maintains the fluoridation and chlorination equipment for all wells.
4. Maintains a clean and safe environment in the well houses and lift stations.
5. Performs required periodic inspections of equipment; minor repairs on equipment and promptly report the need for major repairs to management.
6. Performs manual work using power tools or hand tools including concrete saw, drills, and saws.
7. Maintains a variety of records and logs as required by ADEM and EPA.
8. Performs duties such as grass cutting, edging and weed-eating at wells, lift stations or any other location owned or operated by the City of Troy.
9. Maintains inventory for water department, along with ordering any materials and supplies requested by foreman or other designated employees.
10. Monitors all SCADA for water & sewer as requested by Utilities management during normal working hours and off hours.
11. Holds standby at night and on weekends as rotation requires.
12. Perform related duties as required.

QUALIFICATIONS

The following generally describes the knowledge and ability required to enter the job and/or be learned within a short period of time in order to successfully perform the assigned duties.

- Knowledge of operation and maintenance of a variety of motorized maintenance and construction equipment.
- Knowledge of principles and procedures of record keeping.
- Knowledge of the occupational hazards and standard safety practices.
- Ability to work independently in the absence of supervision.
- Ability to perform a variety of semi-skilled and skilled construction and maintenance tasks.
- Ability to operate and maintain hand and power tools in a safe and efficient manner.
- Ability to perform heavy manual labor.
- Ability to perform a variety of manual tasks for extended periods of time and in unfavorable weather conditions.
- Ability to load, haul, collect and dispose of materials, debris, and trash.
- Ability to operate a two-way radio and headset.
- Ability to read and interpret basic blueprints, diagrams, and maps.
- Ability to understand and follow oral and written instructions.
- Ability to communicate clearly and concisely, both orally and in writing.
- Ability to be available to work nights, weekends, stand-by and emergency call-ins.
- Ability to establish and maintain effective working relationships with those contacted in the course of work.

MINIMUM QUALIFICATIONS

- A. High school diploma or GED.
- B. Valid Alabama Grade II Water Certification or greater.
- C. Valid Alabama Driver's License and insurable under the City of Troy's Liability Insurance.
- E. Subsequent to job offer, applicant must submit to and pass a pre-employment physical and drug/alcohol screening.
- F. Subsequent to job offer, applicant is subject to satisfactory background check and MVR.

MINIMUM REQUIREMENTS TO PERFORM ESSENTIAL FUNCTIONS:

The following requirements are normal for this classification. Specific requirements may not apply to all positions within this classification, but are determined by the normal requirements for the particular position.

Essential Physical Abilities
The incumbent is regularly required to use hands to finger, handle or feel objects; bend body downward and forward, requiring full use of the lower extremities and back muscles; reach with hands and arms; hear; read and write; walk; occasionally lift or carry heavy objects between 50-100 pounds; and grasp, hold and toss objects.
Supervisory Control
The Water Superintendent assigns duties in terms of general instruction. The Water Superintendent spot-checks completed work for compliance with procedures, accuracy, and the nature and propriety of the final results.
Guidelines
Guidelines include Municipal Ordinance, City of Troy Personnel Policies and procedures, benefits policies and procedures, the Risk Management Manual, and the City of Troy Core Values. These guidelines are generally clear and specific, but may require some interpretation in application.
Complexity
The work consists semi-skilled and skilled manual labor. The operation of heavy equipment, environmental extremities, and ability to follow safety procedures contributes to the complexity of this position. The works also consists of skilled technical labor and will require knowledge listed above.
Scope & Effect
The purpose of this position is to provide support to the Water and Sewer Departments. Success in this position results in greater effectiveness of the work load of both departments.
Personal Contacts
Contacts are typically with employees, co-workers, and members of the general public.
Purpose of Contacts
Contacts are typically to resolve problems and provide services.
Work Environment
Work is performed on equipment and in the field exposing employee to high and low temperatures; strong odors; dirt, dust and fumes, and in an outdoor environment with exposure to varying weather conditions; possibly bodily injury from moving mechanical parts of equipment, tools, machinery, or other vehicles in traffic situations. The incumbent's working conditions are typically moderately loud to very loud.
Supervision Exercised
None

NOTE:

Statements included in this description are intended to be representative of the duties and responsibilities of this job and are not to be interpreted as being all inclusive. The employee may be assigned other duties that are not specifically included. This job may also require meetings outside of normal business hours or work on weekends and evenings.

Successful applicant is required to pass physical examination and drug test, and have a valid Alabama Drivers' License. Position subject to satisfactory background check
