

Keep Troy Beautiful's 2018 Litter Index

A program of Keep America Beautiful

Community Litter Index

- Streets in all Five Districts
- Ride and Score Streets within 1-2 consecutive days
- Note addresses with issues that we can address.
- Be safe!
- Have fun!

District 1

District 2

District 3

District 4

District 5

Community Litter Index

- Litter Index
- Optional Indices
 - Illegal Signs
 - Graffiti
 - Abandoned/Junked Vehicles
 - Outside Storage

Litter Index

Litter Index Scale 1 - Minimal or No Litter

- Virtually no litter
- 1 or 2 small items in a city block or equivalent
- Collected quickly by 1 individual
- Generally neat & tidy

Litter Index Scale 2 - Slightly Littered

- Litter is obvious
- Eye is not continually grabbed by littered items

Litter Index Scale 3 - Littered

- Visible litter catches your eye frequently
- Organized effort for removal
- Considerable effort to clean

Litter Index Scale 4 - Extremely Littered

- Continuous amount of litter
- Litter first thing noticed
- Might include an illegal dump
- Equipment may be required for removal
- Strong impression of a lack of concern about litter

Optional Indices

Optional Indices

- *Illegal Signs*
- *Graffiti*
- *Abandoned/Junked Vehicles*
- *Outside Storage*

Illegal Signs – Signs on public property

- Posters or flyers on utility poles/equipment
- Signs in right-of-way
 - Area between sidewalk and edge of street or under utility poles
- Messages may include advertising for credit repair, dating services, garage sales, real estate, or for a candidate in an election

Score	Instructions for Scores
1	No illegal signs
2	1-5 illegal signs
3	6-10 illegal signs
4	10+ illegal signs

Graffiti

- Words, colors, and shapes drawn or scratched on buildings, overpasses, and other surfaces
 - one-color monikers (like a nickname) "tags"
 - complex compositions of several colors
- Done without permission

Score	Instructions for Scores
1	No illegal signs
2	1-2 small graffiti tags. No larger than 6' x 6' could be cleaned up in 1 hour
3	2 long swatches or a combined amount of graffiti of less than 12' long. 2-3 hours to cleanup
4	Site predominantly filled with graffiti

Abandoned/Junked Vehicles

- Abandoned typically on street or right-of-way
- Junk vehicle typically on private property
- Conditions
 - a heavy layer of dust
 - expired registration or license
 - tag, flat tire(s), or missing component(s)
 - inoperable

Score	Instructions for Scores
1	No abandoned or junk vehicles
2	1 abandoned or junk vehicle
3	2-3 abandoned or junk vehicles
4	4 or more abandoned or junk vehicles

Outside Storage

- Outside a building and visible from right-of-way
 - building materials, furniture, appliances, motor vehicle parts or other materials not customarily used or stored outside or which may deteriorate from exposure to the outside environment
- Outside Storage may include trash and garbage stored outside prior to or after normal collection a heavy layer of dust

Score	Instructions for Scores
1	No openly stored items
2	1-4 openly stored items. An hour with 1-2 people to clean up
3	5-10 items openly stored that could fill a small shed. Cleaned up in 3-5 hours
4	10 items that would fill a one car garage would require a full day to clean with a full crew
