

Pike Area Transit Assistance Policy

PATS will allow a passenger who requires the functional assistance of a Personal Care Attendant (PCA) to travel may bring one (1) PCA to ride free of charge on the bus.

Definition: A PCA is defined as a person designated to assist an individual with a disability in meeting personal needs, such as help with mobility, cognitive assistance, or other needs related to the disability.

The PCA will not be charged a fare when accompanying and actively assisting the passenger.

PATS passengers are required to indicate when booking a trip that a PCA is required.
